

MOTE MARINE LABORATORY CORPORATE MEMBERSHIP PROGRAM

Mote Marine Laboratory (MML) is an independent, nonprofit research organization dedicated to excellence in marine and environment sciences. Nearly half a million guests a year visit our beautiful 12 acre campus on city island. Guests marvel at our shark tanks, our manatees and our ray touch tanks. As a Corporate Member of Mote Marine laboratory, you will enjoy many benefits. More importantly your company's membership will help protect, conserve & enhance our marine environment and resources. In-kind donations are also accepted.
